CLIENT TESTIMONIALS

“We are satisfied with Inspection and documentation. Your service was great”

Ingrid Bermudez, Branch Administrator, Petrogas Piping

“Franklin valve was pleased with the TPI services from AQSS and our customer had no complaints and was satisfied with the report”

Daniel Nowak, Account Manager, Franklin Valve

“I have been very pleased with your knowledge, professionalism, responsiveness, and flexibility. Additionally, the reports you have prepared for PPE were excellent and our customer noticed.”

Eric Crawford, Technical Director, PPE Idex

“I appreciate you helping us out with providing (Auditors) to provide the Internal Audit in the time frame that we wanted. As usual, you always come through! Thank you very much... The report is very good, as well as very useful”

Guy Feland QA Manager Pinnacle Machine Works

“(Auditor) experience was a great value for our Company. We already had a consultant help us prepare for our AS9120 Certification but (auditor) really took it to the next level and provided great inputs, adapting his knowledge to our industry”

Michel Gloaguen, President, Breizelec
